

Serie Barandillas

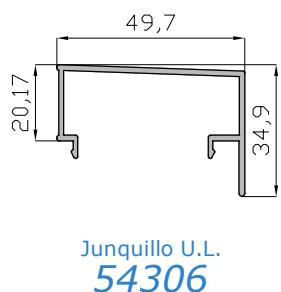

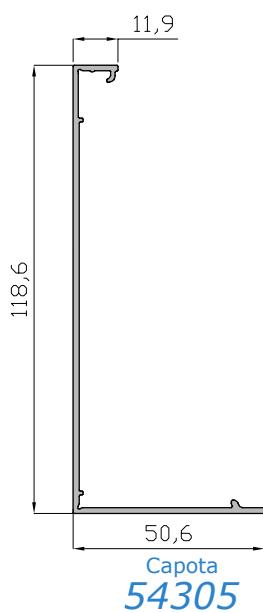

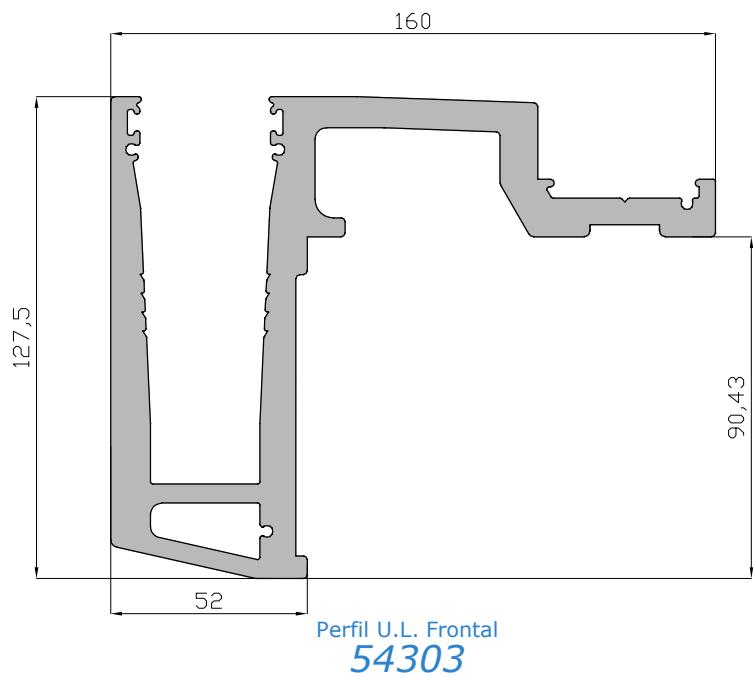

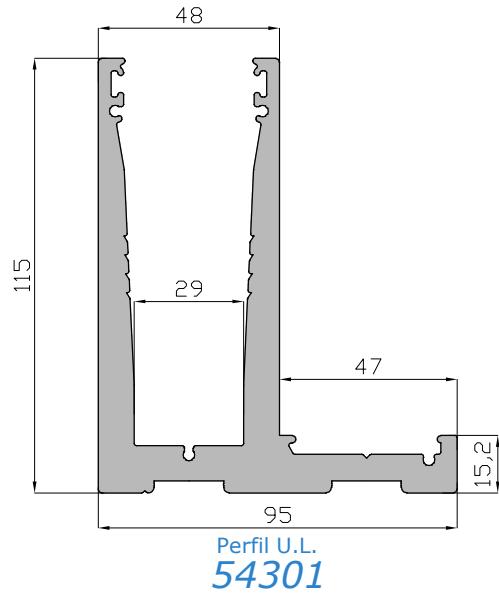

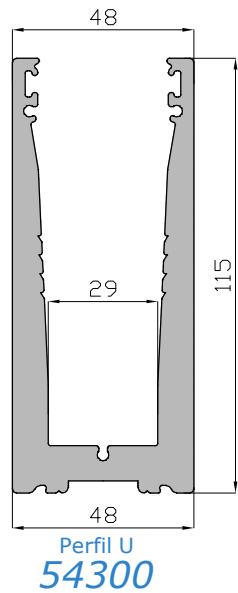

# ORIZZONTE

- Aleación de aluminio de alta resistencia y máxima calidad superficial.
- Posibilidad de acabado en cualquier RAL, anodizado, simil madera o inox.
- Cumplimiento del CTE para todas las categorías de uso.
- Múltiples soluciones de puesta en obra, minimizando errores y reduciendo tiempos de instalación.
- Asiento orgánico para recepción de vidrio, auto-lubricado y con protección de impactos.
- Mínima sección vista.
- Pasamanos minimalista de aplicación directa.
- Simetría geométrica total facilitando instalación
- Disponibilidad de mechas de alineamiento y escuadras de unión.
- Mecanismo anti-elevación por cuñas de presión.
- Disponibilidad de salida de aguas integrada de dotación, tapas de remate y protección extrema.
